

Consequences of climate change			Warming world			How climate works		
Intro / Images of change	How does climate change affect you?	Impact on climate systems	Intro / global temperature	Which regions have the most extreme temperature change?	What's warming the planet?	Intro / greenhouse effect + carbon cycle	How much do you know about climate?	Sun drives climate
Form: photographs	Form: video	Form: globe (?)	Form: bar graph	Form: map	Form: line graph	Form: diagram	Form: quiz	Form: globe (?)
<div>Controls:</div> <div>FINAL</div> <div>One horizontal slider - for sliding between images</div> <div>One button - for navigating to next image</div>	<div>Controls:</div> <div>PENDING APPROVAL</div> <div>One dial - for navigating between videos</div>	<div>Controls:</div> <div>UNKNOWN</div> <div>In order of likeliness:</div> <div>Option 1: no controls</div> <div>Option 2: one dial - for changing system)</div> <div>Option 3: one trackball - for rotating globe</div> <div>Option 4: one trackball, one button - for rotating globe and changing system</div> <div>Option 5: one trackball, one dial - for rotating globe and changing system</div>	<div>Controls:</div> <div>FINAL</div> <div>One vertical slider - for changing timescale</div> <div>One horizontal slider - for scrubbing through time</div>	<div>Controls:</div> <div>FINAL</div> <div>One vertical slider - for changing timescale</div> <div>One horizontal slider - for scrubbing through time</div>	<div>Controls:</div> <div>PENDING APPROVAL</div> <div>A group of buttons, in order of likeliness:</div> <div>Option 1: 5 buttons</div> <div>Option 2: 4 buttons</div> <div>Option 3: 6 buttons</div>	<div>No controls</div> <div>FINAL</div>	<div>Controls</div> <div>FINAL</div> <div>Two buttons, choice A or choice B</div>	<div>Controls:</div> <div>UNKNOWN</div> <div>In order of likeliness:</div> <div>Option 1: one trackball, one button - for rotating globe and changing data layer</div> <div>Option 2: one trackball, one dial - for rotating globe and changing data layer</div> <div>Option 3: one trackball - for rotating globe</div> <div>Option 4: one dial - for changing data layer</div> <div>Option 5: no controls</div>
No sound	<div>Sound:</div> <div>Audio from video - likely people speaking</div> <div>May mute during “resting” state</div>	No sound	<div>Sound:</div> <div>Audio feedback from interactive</div> <div>No sound when not being interacted with</div>	No sound	<div>Sound:</div> <div>Audio feedback from interactive</div> <div>No sound when not being interacted with</div>	No sound	No sound	No sound
<div>Screen placement:</div> <div>FINAL</div> <div>Placement of this screen is final since it matches “intro” theme and is next to coral specimen</div>	<div>Screen placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the right</div>	<div>Screen placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the left</div>	<div>Screen placement:</div> <div>FINAL</div> <div>Placement of this screen is final since it matches “intro” theme</div>	<div>Screen placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the right</div> <div>Take into consideration the first screen has sound</div>	<div>Placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the left</div> <div>Take into consideration the first screen has sound</div>	<div>Screen placement:</div> <div>FINAL</div> <div>Placement of this screen is final since it matches “intro” theme and is not interactive</div>	<div>Screen placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the right</div>	<div>Screen placement:</div> <div>FLEXIBLE</div> <div>This screen may be swapped with screen to the left</div>
